Headteacher's message

Dear Parents and Guardians

Another busy week has past where the children have been hard at work in their classes. On Thursday, we were able to witness this first hand whilst showing Richard Light the Deputy CEO of Harbour around the school. The children were incredible, and he highlighted what a warmth our school provided and how it is clearly a safe haven for all children that attend. He was hugely complimentary of the behaviour and work ethic of all children which was lovely to hear!

We would like to give year 6 a special mention this week; they have been working tirelessly on their writing. Our teachers have enjoyed reading their work and the quality of work produced has been highly impressive; Well-done Year 6.

On Thursday, 77 years 3 & 4 left for the National Marine Aquarium in Plymouth to spend the night 'Sleeping with the Sharks'. This was a fabulous opportunity, and I cannot wait to hear all about their adventures and experiences on Monday. A huge thank you to Mrs Johnson, Mr Whapham, Mr Bayliss, Mr Marks and Miss Tillman for accompany the children on such a special experience.

I hope you all have a restful weekend.

★ STAR OF THE WEEK ★

Mrs Youll's class

Cooper for good listening at carpet time and demonstrating some super learning in maths.

Well done year 6

Mrs Scott and Miss Williams would like to say how proud they are of Year 6 - following their fantastic attitude and approach to SATs week, they have spent the past two weeks of school (both before and after half term), refining and showcasing the writing skills they have learned across the year, ahead of the statutory writing assessment period. The standard of writing these children have produced is astounding, and it is hard to believe how far they have come, not only this year, but throughout their primary journey. We are very proud of each and every one of you.

Sleeping with the Sharks

On Thursday lunch time two coaches full of excited children and adults left Orchard Vale on our way to Plymouth!

After the inevitable toilet stop! The group arrived at Plymouth at 3.30pm ready for our first workshop. All the children were smiling and excited and were great on the journey!

After dinner and a tour around the aquarium as the only guests there; we settled down to watch a film!

After a rather late night, the children all slept well and gradually woke up ready for their second day! Following breakfast and visiting the shop we took part in an Inventafish workshop before setting off back to Orchard Vale.

We all arrived safely back at OV tired but smiling.
